***Spring 2019***

***Dear Business Owner,***

***The Lions of Illinois Foundation, a 501c(3) corporation, takes great pride in being a strong community organization. We are glad to be able to serve your community by assisting people with vision and hearing needs, as well as many other projects that reach out and enrich the lives of the community.***

***2019 marks the inaugural year of A Knight's Quest Gala, a new fundraiser to support the blind, low vision, deaf, and hard of hearing. Your community benefits through local projects such as: free screenings for hearing and retinal diseases, assistance to those in need of eyeglasses and reconditioned hearing aids, camping for adult and youth who have vision and hearing needs, and other services.***

***The Lions of Illinois Foundation would like your help this year to underwrite the cost of a raffle item. Your donation will go a long way to defer the expense and increase the amount of aid we can provide to those in need. There are NO administrative costs, so every penny raised on each underwritten raffle item goes directly toward providing our vision and hearing services to your community. If you decide to support this worthy cause, please make your check payable to the Lions of Illinois Foundation.***

***Thank you for your time and support,***
