

Vision Statement

The Vision of the Lions of Illinois Foundation is to create a permanent vehicle for the delivery of programs and services to people with vision and hearing needs.

Mission Statement

The Lions of Illinois Foundation exists to assist in the general improvement of the quality of life of those in Illinois having unmet needs. It is the specific mission of the Foundation to provide quality programs and services to the people of Illinois for the detection, treatment, and rehabilitation of visual and hearing impairments. The Foundation, solely, or in conjunction with the Lions/Lioness Clubs, Foundations, and other organizations, shall provide its assistance through grant processes or delivered through direct or indirect programs and services.

Monetary Support

The Lions of Illinois Foundation is funded mainly by club contributions from Candy Day, Sight and Sound Sweepstakes, Tootsie Pop Day, Gift Card Campaign, Annual Gala, Car Show and BBQ.

The Foundation led the campaign to raise \$5 million to finance construction of the Lions of Illinois Eye Research Institute (L.I.E.R.I.) in Chicago, as well as the campaign to raise \$1.1 million to finance the Charles I. Young Professional Chair.

Why the Lions Help

The Lions of Illinois Foundation is a nonprofit organization with members throughout the state of Illinois.

Since 1925, the Lions have taken the challenge given to them by Helen Keller. Addressing the Lions at their convention she urged them to become:

“Knights of the Blind in the Crusade Against Blindness.”
