## Counter Mint Program

### Order Form

The Lions of Illinois Foundation Counter Mint Program is a Program for the local Lions Club to raise funds to help support the vision and hearing needs in their local community.

The program is very easy to start up and maintain. All you need to do is find locations around your community that will allow you to place counter trays in local establishments i.e. hardware stores, doctors' offices, etc. All the funds raised from the program stays in the community. The suggested donation is \$0.50 per roll. However, the Club can determine their own donation amount. This is an easy and great way to raise funds, and to make the community aware that there is a local Lions club helping make a difference in their community.

At the bottom of this form is an order form, which you can order all the supplies you need to get started. If you have, any further questions please feel free to contact Dianne Ortega at 815-756-5633, ext. 250 or you can email her at [DOrtega@LIFND.ORG](mailto:DOrtega@LIFND.ORG).
