JANI ROBINSON-
MENDENHALL, PDG
Robinson, IL 62454

Fellow Lions and Lioness,

Enclosed in this packet are your 2019 Sight and Sound Sweepstakes Campaign for your club and your Lions of Illinois Foundation. The campaign starts January 1st and ends at the Annual Breakfast at the State convention on May 19th at the Abraham Lincoln Hotel in Springfield, IL. As you are all aware this is a no-cost fund-raiser for your club's hearing and sight related programs within your communities. While also helping the programs and services your Foundation administers for each club throughout Illinois.

Each Sweeps ticket book contains three individual tickets, which can be sold as a book (\$10) or as individual tickets (\$4) each. The twenty-six (26) prizes are listed on the face of each ticket. A Lion, Lioness or Club selling a winning ticket will also be a winner provided they completed the information on the back of the winning ticket. Providing all qualifications are met. Starting this year each Lion and Lioness Club will receive a minimum of 25 books of tickets. For additional tickets please contact Dianne Ortega at your Lions of Illinois Foundation at 815-758-2041, or dortega@lifnd.org.

The 2019 '*How to Manual*', included with your Club's Sweeps tickets, should provide answers to most of your questions. If additional information is required, on page 12 of the '*How to Manual*' lists the phone numbers of the District Sweepstakes Coordinators and Trustees. Please refer to page 6 to become familiar with our *NEW Early Bird Drawing*. Other items in the packet should be self-explanatory. **Please remember to get all sold and unsold books back to your Foundation by May 1, 2019 to qualify for additional prizes.**

Even though the Sweepstakes raffle guarantees prize winners. The real winners are the people we continue to support within our communities. Will you help support a visually impaired or hearing impaired child or adult?

Sincerely,

Mario J. Gumino, PDG
Executive Director
