“Resolve to Keep Happy, and Your Joy and You Shall Form an Invincible Host Against Difficulties.”

– Helen Keller

Greetings Lions,

We made it! We made it through 2020. Happy New Year. Thank you to all of the Lions who pushed forward through these difficult times. Yet even in these difficult times, we have reason to celebrate.

Our Seeing is Believing Program is reaching a milestone and is celebrating 30 years of service to students with low vision. Doctors have been utilizing all of the telehealth technologies as well as in person visits with students and we have been making a difference in the lives of those students and their families. Our Jacksonville clinic has been changing students lives for 45 years this year... reason to celebrate.

Clubs have been able to continue to help people in their communities with eyeglasses and hearing aids through our partnering clinics. Our Adult O and M program is still able to assist adults with navigating their everyday lives and our endowment fund has closed today at \$13.432.848...reason to celebrate.

Our Sight and Sound Sweepstakes Tickets have been mailed out and clubs have already been sharing new and innovative ways of reaching people in and out of their communities for the sale of those tickets and information on the assistance it provides. Our Terri Lynn Fundraiser is wrapping up at the end of January with over \$1,000 received from the sale of those high quality snacks with a percentage of those profits sent back to the participating clubs... reason to celebrate.

We have had clubs doing virtual walks and FB auctions, drive up fish fry, sewing masks to sell to help support LIF programs and we thank all of the Lions who have rallied around those clubs and have encouraged them for their efforts...reason to celebrate.

This new year will certainly bring with it many more uncertainties and challenges yet many more children and adults will still need our help with their vision and hearing, so we will be there. Because where there is a Lion there is a way. So with our resolve to continue to have joy in serving and bring happiness to others, we will become invincible against the difficulties and challenges this new year may bring.

If at times you feel uncertain, just look at little Jaxon's face, featured on our front cover, he received life changing vision equipment through our Seeing is Believing Program and I believe the joy on his face says it all.

May the Blessings of this New Year be with You and your Families.

STUDENT LOW VISION CLINICS

The Student Low Vision Program is moving forward,
either at the school campus or at the clinic location.
Spring 2021

SEEING IS BELIEVING

"Now more than ever, students with low vision need the benefits the SEEING IS BELIEVING Program provides. As we all take precautions to prevent the spread of COVID-19, it is imperative each student has access to their own magnifiers, telescopes and other assistive devices provided by this program."

CHICAGO LIGHTHOUSE SEEING IS BELIEVING UPDATE

We are happy to say we are still able to have in-person clinics for our students and families. The CPS clinics will be held at the main Lighthouse and we are in contact with the vision coordinator to schedule those.

In total CPS and 4 other school board vision coordinators have been contacted to schedule their clinics. Some of the schools are pushing things back as far as a commitment date in hopes that their schools will be open for some in person learning which will allow our clinics to be there. This will likely lead to us being busier this winter and early spring.

This year we celebrate 30 years of service, thank you to all the Lions that have and continue to support us in this mission!

SPECTRIOS INSTITUTE SEEING IS BELIEVING UPDATE

We are glad to announce that Clinics are still being scheduled.

"We had a 2nd grader who could only read 3 letter words, we fitted him with a telescope and had his mother get him a monitor because his tablet for e-learning is too small for him to see. His mother cried she was so thankful".

Thank You to the Lions Clubs and LIF for supporting this program for 30 years!

JACKSONVILLE STUDENT LOW VISION CLINIC UPDATE

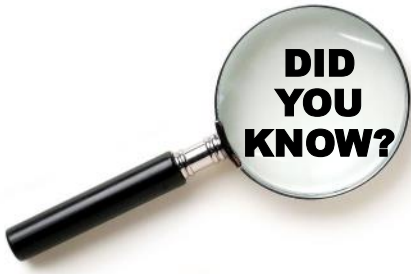

ISVI is still learning remotely at this time. Due to the nature of our program, the doctors and our administrators are looking at extending the spring clinic to more days to support a larger group of students. Please let me know if you have any questions.

Thank you and your organization for the continued support for our kids! We celebrate 45 years of service this year and we couldn't have done it without your generosity, thank you!

Jasmine Wells ISVI Low Vision Coordinator

Adopt-A-Camper

Children and adults who are deaf/hard of hearing, or blind/partially sighted, share in the fun of swimming, boating, nature walks, archery, crafts, music, campfires, and more fun camp activities with friends at Camp Lions. One thing has never changed at Camp Lions is the idea of providing a safe, positive place for youth and adults to enjoy summer camp with their peers. This philosophy has given thousands of campers a chance to grow self-confidence in a fun, sports & nature program.

Please Adopt a Camper to attend Camp Lions this Summer!

By adopting a camper you insure that all deserving children and adults can experience what Camp Lions can offer them.

Your Lions of Illinois Foundation is asking every Lion, Lioness, and Leo Club to help by "adopting" at least one camper to attend Camp Lions with a **Donation of \$525 or more.**

These donations will help to defer some of the total costs associated with our Camp Lions program including lodging, food, and qualified staff, including a nurse, to care for and inspire the attending campers.

A Thank You note with a picture of your camper, will be sent to your club along with our gratitude.

If you have a specific camper you would like to adopt please include their name below.

*Lions Of Illinois Endowment Trust
PCC, PFP Lydia Ellis-State Chairperson*

As we are coming into a New Year, there are many memories (good and not so good) that we will keep in our thoughts. As I look forward, I want to be sure that I pause and reflect on how we Lions can remember our loved ones for all time.

The term ***“In Memory of”*** means so much to us all and we at the Lions of Illinois Foundation have a wonderful way for showing how we keep memories alive. By donating to our LIF Endowment Trust you create a lasting legacy that will help our Endowment Fund to grow and continue with the work that we do to provide help with our vision and hearing programs and services here in our state.

Memorials can be given to honor someone who has passed on. The Foundation has an envelope available from your Trustees or District members of the Memorials and Endowments Committee or visit our website to print a memorial form.

In future issues of the Lion Share, I will be writing about other areas of our Endowment Trust.

If you have any questions regarding our Endowment Trust, feel free to reach out to me at **618-980-7482** or email: serve2dgillinois@yahoo.com

What is The Endowment Trust?

The Lions of Illinois Endowment Trust offers the opportunity for members of the Lions family and the general public to give a tax-deductible gift that keeps on giving. It is a restricted fund in which contributions are pooled and invested, with the principal remaining intact. Only the income can be used to support Lions of Illinois Foundation programs and services for people with vision and hearing needs.

Endowment Trust Mission Statement:

The Lions of Illinois Endowment Trust exists for the sole purpose of creating a consistent and permanent stream of revenue to fund the programs and services provided by the Lions for the visually and hearing impaired. It is recognized that future unmet human needs may need to be addressed and the Lions may not be able to affect those needs directly. Therefore, the Lions of Illinois through this Trust are creating a present day capability for those future needs.

ALSO, CONSIDER JOINING THE LEGACY CLUB

We hope you will become a Legacy Club Member designating LIEF as a beneficiary in your Will, life insurance policy, retirement plan, trust or other planned giving vehicle. Your legacy will help us to continue transforming the lives of children and adults struggling with vision and hearing loss. If you have any questions about planned giving, please contact the Lions of Illinois Endowment Trust at 815-756-5633.

Merrill Lynch: *For the past 21 years with the help and support of the management team at Merrill Lynch, your Endowment Trust has been steady at 13.4 million dollars as of 1-11-2021. Your Foundation only takes 3% of the earned income towards the programs and services of your Lions of Illinois Foundation, 97% of the earned income is rolled back into the fund for future needs.*

Foundation Fellows

A Foundation Fellow is the greatest level of recognition that can be bestowed by the Lions of Illinois Foundation and can honor anyone (Lion or non-Lion). It can be presented to a person who donates \$500 to the Lions of Illinois Endowment Trust, or it can be used as a way for others to honor a person's dedication to the club, community, Lions District, Lions of Illinois Foundation, and/or Lionism in general. For those who wish to contribute more than \$500 or to begin a program of giving, there are 25 levels of the Foundation Fellow, with each level attained affording honor to the individual named.

What does the Foundation Fellow receive?

For the initial \$500 donation, the person named as a Foundation Fellow receives a pin, patch, chevron and beautiful engraved plaque. For each progressive level, the person will receive a pin and chevron. The person's name is also listed in a computerized scrolling role of honorees located at the Lions of Illinois Foundation.

What is a Sustaining Supporter?

The Sustaining Supporter program is a method of giving in which anyone (Lion or non-Lion) is encouraged to give a tax-deductible donation on an annual basis to help support the many programs and services of the Lions of Illinois Foundation. With the annual contribution of \$25 (less than 7¢ per day) through the Sustaining Supporter program, an individual is able to demonstrate a commitment to the Lions of Illinois Foundation and to its vision of creating a permanent vehicle for the delivery of programs and services to the visually and hearing impaired. The initial \$25 contribution entitles the Sustaining Supporter to receive a pin. Upon renewal, the Sustaining Supporter receives a numbered tab that may be attached to the pin.

How do I become a supporter?

Contribute \$25 to the Lions of Illinois Endowment Trust and attach the form below. Renewals are \$25 each. (Or, contribute \$25 to give someone a Sustaining Supporter as a gift or award/recognition.)

Yes! Sustaining Supporter contributions are completely convertible to Foundation Fellows. For more information, contact the Lions of Illinois Endowment Trust.

100% Sustaining Supporter Club:

When a club donates \$25 per member in one club check payment to the Lions of Illinois Endowment Trust, the club will then be recognized as a 100% Sustaining Supporter Club. Each club member will be recognized as a Sustaining Supporter. Please send a list of club members, with address and phone with your form and check.
