## This Is the Day that Lord Has Made. Let Us Rejoice and Be Glad in It!!

*By LIF President Johnny Anderson, PDG*

Hi Lions of Illinois! I am Lion PDG Johnny Anderson, District 1-G, your Lions of Illinois Foundation President 2020-2021. First of all, I would like to thank PDG Lion Chip Farrington, now Past President of your Lions of Illinois Foundation, for the great job in leading our Foundation through a very tough year. **Job Well Done!!** I also want to thank Lion Trish Fisher, our Executive Director and her staff at our Foundation. What an amazing job was done by all!

We are in a very tough time for all Lions and Lions Clubs throughout our state as well the whole world. Who would have thought the Coronavirus would be here this long and may be here in next year as well. As you know at your Foundation all our programs are on hold at this time just like fund raisers in your community. But we know, **Where There Is a Need There Is a Lion!!** That is what we do as Lions. We serve and help others in need. We at your Foundation are working to help others. To do that, we have to think out of the box!

As you know Camp Lions was canceled. E.D. Trish Fisher and her Staff came up with a Virtual Summer Camp which started July 13th for four weeks. Our own Ninja Warrior, Kyle Schulze was helping with the physical challenge part of our camp. We need your help as always with donations to Camp Lions.

Think out of the box!!! I hope you can, on a club level, do that as well. Work with your county health departments so you can have your event. My home club of Loraine had a Fish Fry April 4, this year. We set up a curbside only pickup with a Free Will Offering. It went great with the largest crowd ever! We served 550 meals and turned 30 cars away because we ran out of food. We also received the most donations ever. We were blessed!! We will have another fish fry on Aug 21st. We hope to have our annual outing in the park as well on Aug 22nd if we can. Think outside of the box for your event. You might be surprised how people will respond and help.

We, at your Foundation, will keep doing the work you would have us do for people who need our help. Please remember, your Lions of Illinois Foundation's Vision, which is still true today, **"The vision of the Lions of Illinois Foundation is to create a PERMANENT VEHICLE for the delivery of programs and services to the visually and hearing impaired."** This happens through our Endowment Trust!! Our endowment trust is doing very well for the way the market has been. Our investment brokers at Merrill Lynch Investments have done an amazing job for your Foundation! We still need your help by sending **\$500.00 for a Foundation Follow** to recognize someone in your club, community or maybe your club President for a job well done! When the money goes thru Birdies we get more interest on your donation. Also don't forget about our **HONORARIUMS** donate in honor of someone special. Please support our Programs and Services!!

I will end with a quote From Melvin Jones, **"You can't get very far until you start doing something for somebody else."** Stay Safe and Stay Healthy!!

Yours in Lionism,  
Lion PDG Johnny

# Health Services Update

By State Chairperson Bob Jilke

Greetings Lions,

With the Health Services functions of your Foundation being shut down or slowed down for the past few months, our LIF staff has been continually working and has maintained order from the chaos. But, there is some optimism that we will be able to return to normal soon. Our Adult Low-Vision Orientation and Mobility Training programs are now opening back up. Our Hearing aid clinics and Vision partners have been receiving clients. We are collecting recycling items, eyeglasses and hearing aids and they can be dropped off at the Foundation office.

Our Student Low Vision Clinics will open either seeing students on campus or at the clinic offices, as permitted by the Governor's office. The mobile screening units, Camp Lions and other functions are all planned to be up and running in 2021. Please make plans now for your Health Fairs, utilizing the Health Fair Guide Booklet located on our website [www.LionsOfIllinoisFoundation.org](http://www.LionsOfIllinoisFoundation.org).

Stay safe and enjoy the rest of the summer,

## Dear Lions Members & Friends,

The Lions of Illinois Foundation partners with Second Sense in Chicago, The Center for Sight and Hearing in Rockford, Lake County Center for Independent Living in Mundelein, and Educational Center for the Visually Impaired in Springfield, to provide Orientation and Mobility training for Low Vision Adults.

Orientation and Mobility training focuses on instructing individuals who are blind or low vision with safe and effective travel skills through their environment. An O&M specialist provides training designed to develop skills and concepts a blind or visually impaired person needs to travel safely and independently through their environment.

### Goals and Accomplishments

Carolyn is in her early 60's and had a specific goal of learning to travel on public transportation to attend college. She was a nurse before losing her eyesight and wanted to go back to school to get a degree in social work.

*Mobility Goals: 1. Learn to cross the street, 2. Learn how to use public transportation  
3. Learn to use the food court to get lunch.*

Because of your donation Carolyn completed her goals and is ready to take on new challenges. She has the confidence to attend college and continue to move forward and eventually be able to assist people in her own community.

**Your Donation makes a difference in peoples lives like Carolyn. Thank You**

## Together, we can make a difference in the lives of Adults with Low Vision

# ENDOWMENT TRUST

Greetings Lions,

This newsletter is to give you information and updates in all of the areas that encompass The Lions of Illinois Endowment Trust and how those funds are contributed. Please go to our website [www.LionsOfIllinoisFoundation.org](http://www.LionsOfIllinoisFoundation.org) to obtain brochures and forms pertaining to each Endowment program listed below. Contributions to the Endowment Trust are tax-deductible to the extent allowed by law.

**What is The Endowment Trust?** The Lions of Illinois Endowment Trust offers the opportunity for members of the Lions family and the general public to give a tax-deductible gift that keeps on giving. It is a restricted fund in which contributions are pooled and invested, with the principal remaining intact. Only the income can be used to support Lions of Illinois Foundation programs and services for people with vision and hearing needs.

***Endowment Trust Mission Statement:*** *The Lions of Illinois Endowment Trust exists for the sole purpose of creating a consistent and permanent stream of revenue to fund the programs and services provided by the Lions for the visually and hearing impaired. It is recognized that future unmet human needs may need to be addressed and the Lions may not be able to affect those needs directly. Therefore, the Lions of Illinois through this Trust are creating a present day capability for those future needs.*

MERRILL  
A BANK OF AMERICA COMPANY

**Merrill Lynch:** For the past 20 years with the help and support of the management team at Merrill Lynch, your Endowment Trust has been steady at **\$11.6 million dollars** as of 8-14-2020. Your Foundation only takes 3% of the earned income towards the programs and services of your Lions of Illinois Foundation, 97% of the earned income is rolled back into the fund for future needs.

**What is a Sustaining Supporter?** The Sustaining Supporter program is a method of giving in which anyone (Lion or non-Lion) is encouraged to give a tax-deductible donation on an annual basis to help support the many programs and services of the Lions of Illinois Foundation. With the annual contribution of \$25 (less than 7¢ per day) through the Sustaining Supporter program, an individual is able to demonstrate a commitment to the Lions of Illinois Foundation and to its vision of creating a permanent vehicle for the delivery of programs and services to the visually and hearing impaired. The initial \$25 contribution entitles the Sustaining Supporter to receive a pin. Upon renewal, the Sustaining Supporter receives a numbered tab that may be attached to the pin.

**How do I become a supporter?** Contribute \$25 to the Lions of Illinois Endowment Trust and attach the form below. Renewals are \$25 each. (Or, contribute \$25 to give someone a Sustaining Supporter as a gift or award/recognition.)

**Yes! Sustaining Supporter contributions are completely convertible to Foundation Fellows. For more information, contact the Lions of Illinois Endowment Trust.**

**100% Sustaining Supporter Club:** When a club donates \$25 per member in one club check payment to the Lions of Illinois Endowment Trust, the club will then be recognized as a 100% Sustaining Supporter Club. Each club member will be recognized as a Sustaining Supporter. Please send a list of club members, with address and phone with your form and check.

# RECYCLING

**There are two blue skids placed on the side of our building with a tarp and bungees to cover after you make your drop.**

**Please check the weather before dropping off your items as the tarp will not be able to protect all of the boxes from inclement weather.**

**You can drop off any and all items on weekends as well as weekdays.**

**We are going paperless with Recycling Reporting. Please go to our website and click the link on the home page.  
You can contact us at [LIFOFFICE@LIFND.ORG](mailto:LIFOFFICE@LIFND.ORG) for any recycling questions.**

**The Blue Drop Box is if you have a few small items: a few glasses, a small box of Hearing Aids.**

**Please DO NOT place INK CARTRAGES into the Blue eyeglass recycling bin in front of the building...they have a tendency to make a mess. Please place them on a skid.**
