

Activity Sponsorship 2020

Camp Lions is offering sponsorships for the camp activities that make our camps exciting and enriching for our campers. We are always looking for new and creative ways to make our camps fresh and engaging. Offering a variety of activities is just one of the ways our signature program Camp Lions is continually successful in attracting campers from around the state.

These sponsorships would be in addition to your annual adopt a camper donations.

All sponsorships will be greatly appreciated by our nearly 200 campers who attend Camp Lions yearly.

Each Sponsoring Club will receive an Activity Patch and Chevron
