Diabetes Awareness Campaign

March 1st - May 31st

What is Diabetes?

Diabetes is a disease in which blood glucose levels are above normal. Most of the food we eat is turned into glucose, or sugar, for our bodies to use for energy. The **pancreas**, an organ that lies near the stomach, makes a hormone called **insulin** to help glucose get into the cells of our bodies. When you have diabetes, your body either doesn't make enough insulin or can't use its own insulin as well as it should. This causes sugar to build up in your blood. Uncontrolled blood sugars are known to cause (among other issues) heart conditions, kidney failure, nausea, obesity, and vision loss due to **Diabetic Retinopathy**.

Spring is in the Air

Happy Spring!

With March comes Spring and with it our Diabetes Awareness Program which runs from March 1st to May 31st. With the nice weather we have been having, it is time to encourage people to take a walk, ride a bike or grill something healthy. It is the time of year, we Lions take the time to make people in our communities aware of the dangers of diabetes and what they can do to lower their risks.

We are settling into our new location with still a few tweaks needed. We have also had our first Early Bird Drawing for our Sweepstakes Raffle. Congratulations to Pecatonica Lions Club and Lion Roger Freese our first Early Bird Winners. Thank you to all of the Lions Clubs who sent in the first round of Early Bird tickets. We still have two more drawings to go before the big drawing in May. Please contact us, as many clubs already have, if you need more tickets to sell.

Thank You to all who participated in our very first Winter Virtual Car Show. We had 61 entries and had over \$1,100 in donations to benefit vision services. Congratulations to the Winners, this was a fun event!

We also wrapped up our Terri Lynn Fundraiser bringing in over \$1,400 to student low vision and participating clubs will receive 15% back just for enjoying high quality snacks.

We will be receiving recyclables come April 1st, this will allow us to get fully settled in. Thank you for your patience contact us if you are having a recycling emergency.

As we move through Spring and into the Summer many clubs have been asking about Camp Lions. I have been in contact with all three locations and they hope to have more information on overnight camps come April. Please follow us on Facebook for up to date information. Clubs have received tentative dates for 2021.

Please take the time to view our calendar of events. Do not hesitate to contact us at the Office if you have any questions or concerns.

Thank You for All That you Do,
Lion Trish Fisher, Executive Director

Lions of Illinois Foundation Partnering with Lions Clubs and Changing Lives!

Lion Paul Marshall, Secretary of the Serena Lions Club read in the January-February Lions Share that LIF has Vision Equipment FREE for use. Lion Paul contacted LIF at their new location and scheduled a day to pick up this equipment President Lion Rich Fassig accompanied Lion Paul and is pictured here. By utilizing this FREE vision equipment the club has saved over \$1,800.

Clubs Can Checkout The Equipment and When No Longer Needed, Pass it onto Someone Else in their District Or Return It To The Foundation Office.

This 95 year old woman is benefiting from one of our vision magnifying machines. She was so thankful to her Local Lions Club when she received her FREE vision machine, this was the first time in a long time that she could view her family photos.

**We have multiple pieces of equipment available for use at the LIF Office. If you know of someone who could use this type of equipment, please contact our Social Service Clerk:

STUDENT LOW VISION CLINICS

Thank You to the Lions Clubs for your Continued Support!

“Now more than ever, students with low vision need the benefits the SEEING IS BELIEVING Program provides. As we all take precautions to prevent the spread of COVID-19, it is imperative each student has access to their own magnifiers, telescopes and other assistive devices provided by this program.

 Not only has our partner seen students at the Spectrios Institute but they have also been able to go out into the surrounding communities; Bloomington, Decatur, Champaign, St. Charles, Riverdale, Oak Forest and LaGrange Park to hold clinics for students.

Thank You!

Joseph, age 6, is happy to be able to accurately identify classroom items! His telescope helps him improve with naming objects and feel more comfortable in his learning environment.

Madelyn, age 9 reports: “I see so clearly now!” She loves her cute, pink frames and takes pride in the fact that she picked out her own frames.

Tayven, age 10, has new glasses and is seeing things much more clearly, especially when working on his Chromebook. They are making a big difference with his schoolwork!

Adopt-A-Camper

Children and adults who are deaf/hard of hearing, or blind/partially sighted, share in the fun of swimming, boating, nature walks, archery, crafts, music, campfires, and more fun camp activities with friends at Camp Lions. One thing has never changed at Camp Lions is the idea of providing a safe, positive place for youth and adults to enjoy summer camp with their peers. This philosophy has given thousands of campers a chance to grow self-confidence in a fun, sports & nature program.

Please Adopt a Camper to attend Camp Lions this Summer!

By adopting a camper you insure that all deserving children and adults can experience what Camp Lions can offer them.

Your Lions of Illinois Foundation is asking every Lion, Lioness, and Leo Club to help by “adopting” at least one camper to attend Camp Lions with a **Donation of \$525 or more.**

These donations will help to defer some of the total costs associated with our Camp Lions program including lodging, food, and qualified staff, including a nurse, to care for and inspire the attending campers.

A Thank You note with a picture of your camper, will be sent to your club along with our gratitude.

If you have a specific camper you would like to adopt please include their name below.

Legacy Club

Lions Of Illinois Endowment Fund President , PCC Lion Steve Anton

Greetings Lions,

The mission of the Endowment Fund is to create a consistent and permanent stream of revenue to fund programs and services provided by the Lions for people with vision and hearing needs. It is also recognized that future unmet human needs may need to be addressed and the Lions may not be able to affect those needs directly. Therefore, the Lions of Illinois through this trust, are creating a present day capability for those future needs. One of the ways to do this is through the LIF Legacy Club.

How do you become a member?

The Legacy Club is a way of recognizing individuals who wish to assist in the establishment of a lasting legacy to help children and adults who are visually or hearing impaired. Membership in the Legacy Club is granted to any person (Lion or non-Lion) who demonstrates a commitment to the vision of the Lions of Illinois Foundation by naming the Lions of Illinois Endowment Fund:

- Through a Bequest*
- As a Beneficiary of part of your estate, or*
- As an Assignee of part of your pension/retirement fund, IRA, insurance policy, or investment account.*

Please contact your legal advisor on how to create a lasting legacy for children and adults with vision and hearing needs.

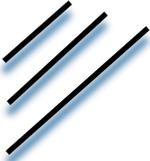

How are Endowment Funds Used?

The Lions of Illinois Endowment Fund is a restricted fund of which the principal remains intact. Only the income from this Fund can be used to support Lions of Illinois Foundation programs and services for the visually and hearing impaired. The Endowment Fund provides contributors with an opportunity to give a gift that keeps on giving.

Are contributions through wills, bequests, and trusts estate tax-deductible?

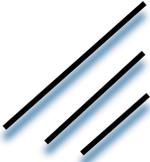

Yes, contributions through wills, bequests, and trusts are estate tax-deductible to the extent allowed by law.

*PCC Lion Steve Anton
Endowment Trust President*

Your Foundation only uses 3% of the earned income towards the programs and services of your Lions of Illinois Foundation, 97% of the earned income is rolled back into the fund for future needs.*

Foundation Fellows

A Foundation Fellow is the greatest level of recognition that can be bestowed by the Lions of Illinois Foundation and can honor anyone (Lion or non-Lion). It can be presented to a person who donates \$500 to the Lions of Illinois Endowment Trust, or it can be used as a way for others to honor a person's dedication to the club, community, Lions District, Lions of Illinois Foundation, and/or Lionism in general. For those who wish to contribute more than \$500 or to begin a program of giving, there are 25 levels of the Foundation Fellow, with each level attained affording honor to the individual named.

What does the Foundation Fellow receive?

For the initial \$500 donation, the person named as a Foundation Fellow receives a pin, patch, chevron and beautiful engraved plaque. For each progressive level, the person will receive a pin, chevron and certificate. The person's name is also listed in a computerized scrolling role of honorees located at the Lions of Illinois Foundation.

What is a Sustaining Supporter?

The Sustaining Supporter program is a method of giving in which anyone (Lion or non-Lion) is encouraged to give a tax-deductible donation on an annual basis to help support the many programs and services of the Lions of Illinois Foundation. With the annual contribution of \$25 (less than 7¢ per day) through the Sustaining Supporter program, an individual is able to demonstrate a commitment to the Lions of Illinois Foundation and to its vision of creating a permanent vehicle for the delivery of programs and services to the visually and hearing impaired. The initial \$25 contribution entitles the Sustaining Supporter to receive a pin. Upon renewal, the Sustaining Supporter receives a numbered tab, every 5th level, that may be attached to the pin.

How do I become a supporter?

Contribute \$25 to the Lions of Illinois Endowment Trust and attach the form below. Renewals are \$25 each. (Or, contribute \$25 to give someone a Sustaining Supporter as a gift or award/recognition.)

Yes! Sustaining Supporter contributions are convertible to Foundation Fellows when the Sustaining Supporter meets Level 21.

For more information, contact the Lions of Illinois Endowment Fund.

100% Sustaining Supporter Club:

When a club donates \$25 per member in one club check payment to the Lions of Illinois Endowment Trust, the club will then be recognized as a 100% Sustaining Supporter Club. Each club member will be recognized as a Sustaining Supporter. Please send a list of club members, with address and phone with your form and check.
