PROGRAMS AND SERVICES

Camp Lions - Since 1957

Camp Lions of Illinois is a non-income based FREE summer camp offered to Low Vision/Blind/HoH/Deaf eligible youth. The camp provides a week of fun, challenging activities, and the chance to make new friends with peers of similar abilities.

www.facebook.com/CampLionsIL

Mobile Hearing/Vision Screening Unit

The Lions of Illinois places a Mobile Hearing/Retinal Unit on the road from March 1st through October 31st every year. For the purpose of detecting hearing loss/deafness and detecting eye diseases such as Macular Degeneration and Diabetic Retinopathy. Visit our calendar on lionsofillinoisfoundation.org to see when the mobile unit will be in your community.

Hearing Aid Bank

In cooperation with the University of Illinois Chicago Audiology Department, LIF has established the Hearing Aid Bank (HAB). The HAB is kept supplied through the donations of hearing aids, which are reconditioned and cataloged for the bank or are sold for salvage to offset the costs. The HAB provides assistance to individuals who cannot afford to purchase a hearing aid, or do not qualify to receive aid from a state or federal agency.

WHO WE SERVE

Student Low Vision Program - Since 1976

Since 1976, The Low Vision Program for Students has performed FREE comprehensive visual evaluations, helping severely visually impaired students make the most of their remaining sight. Students from kindergarten through twelfth grade gain a better understanding and awareness of their vision loss. Low Vision optometrists travel to the screening locations throughout Illinois, bringing equipment for examinations & demonstrations. The program furthers a visually impaired youth's ability to increase their academic potential, enrich their social skills, and helps with future employment opportunities. Above all, the Low Vision Program for Students helps address their daily challenges growing up with vision loss.

SELECTING WINNERS
